

## OUR MISSION

For 51 summers, WRYC has been a training center for Christ. Our mission is to follow God's call to make disciples. Every young camper that comes through the gates is our mission. We treasure our time with each camper to build them from where they are. Our prayer is to teach the truth of the gospel and to keep WRYC a training center for Christ. If you would like more information on WRYC and/or want to receive our quarterly newsletters, please scan the barcode below to stay up to date.

## OUR SUMMER

A pandemic did not slowed us down! WRYC has been blessed to see a rise in campers and volunteers over the last two years. In 2021, WRYC hosted over 700 campers, 134 of which were first-time campers and 24 campers who were baptized into Christ. We also had over 100 volunteers, many who came to work on renovations and improvements to the camp. Our hearts are full and our joy is complete as we watch God at work every summer at WRYC!

# WAYS TO HELP

Thanks be to God that WRYC has grown so much the last 10 years. We have added several new features, new activities and two additional sessions in the past decade. With the growing number of campers that love coming to WRYC, we need help from you. We lean heavily on your prayers everyday. We want to serve, honor and glorify God in all our decisions at camp. We would also like you to consider coming out and volunteering during our summer sessions. We are always in need of bible teachers, kitchen volunteers or helping hands in our

front office. We hope you come and share the summer with us. We also have a vision to make camp safer and improve our campground in order to host more people who desire to seek, serve and give their lives to Christ. Around the camp, we are offering several ways to help. If you feel that you can contribute to our vision, please consider scanning the QR code below or viewing our website for ways to help. You are the resource which helps expand the Kingdom of God.
